

RSRC 4033 Research Course

Department Restriction Release Permission

Course Description:

This course is required for undergraduate students conducting original research, scholarly and/or creative projects under the mentorship of full-time faculty members. Registration will provide a record of student participation and mentoring by faculty. Successful completion of the course will be captured on the student transcript. *Students should enroll in this course even if they are enrolled in a for-credit research course in their discipline.*

Last First M.I. 8 _____

Call Number / CRN _____ Subject _____ Course Number _____ Student Email Address: _____
R S R C 4 0 3 3

Term: Fall Spring Summer Year: _____

Faculty Printed Name Faculty Signature Date

Registration for this course is allowed up to:

Fall/Spring - 4 weeks into the semester

Summer - 1 week into the semester

To register for this course please do the following:

During Regular and Open Registration

(Prior to first day of class)

- 1 Take this form to your academic advisor or Faculty Mentor's department administrative assistant
- 2 Advisor/Admin Assistant will remove the "Department Restriction" for the CRN listed above
- 3 YOU (student) can now add the course using Goldmine; NOTE: Course add/drop fees may still apply

During LATE Registration

(First day of class until deadline)

- 1 Take this form to the COURI Office located in CCSB 2.0312 or CCSB 2.0324
- 2 COURI will complete all necessary steps to register you for the course; NOTE: registering through COURI waives the late registration fee (~\$200). *You will be responsible for the course add/drop fee once late registration begins.*
